

**1 NEWHALL  
STREET**  
BIRMINGHAM

# CREATE A **NEW VISION**

50,000 sq ft of fully refurbished Grade A office space across eight floors with up to 11,957 sq ft available to let in an ideal location in the heart of Birmingham's business district.

# NEW LOOK

**Located at the junction with Colmore Row, 1 Newhall Street benefits from one of the city's most prominent positions, providing Grade A office space to let over contiguous floors.**

Employees and their visitors will benefit from a range of amenities on the doorstep including a Pret A Manger located on the ground floor of the building.

NEWHALL STREET

# STEP INTO A **NEW** ERA

**Occupiers and visitors will be greeted with an impressive sense of arrival as soon as they step into the manned reception area.**

The reception leads directly to the lift lobby which features two new 13 person passenger lifts offering access to the basement and upper office floors.

A photograph of a modern office interior. In the foreground, a wooden reception desk with a glass front panel is visible. The glass panel has the text "Godwin Group" on it. Behind the desk, a woman is sitting at a computer workstation. A large TV is mounted on the wall behind her, displaying a website. The office has a grey carpet, glass partitions, and a brown leather sofa in the background. A large teal graphic overlay is on the right side of the image.

*"Our new office space at 1 Newhall Street has allowed us to move up to the next level as a business. Our clients are always impressed by the space when they visit us for the first time, and our staff love their new working environment."*

**Stuart Pratt,  
Co-Founder and Group  
Development Director,  
Godwin Group**

# A NEW SPACE

The fully refurbished offices have been extended to create floor plates from 6,000 sq ft of contiguous space around the centrally located core on floors 1 to 6, while the uniform open plan layout delivers an occupational ratio of not less than 1:10 sq m.

The floors have the capability of being subdivided to accommodate occupiers from 2,750 sq ft upwards.

Floor boxes and busbars have been installed to meet day one requirements, reducing the fit-out time for new occupiers.

Efficient and fully programmable PIR controlled LED lighting utilises passive movement sensors and daylight dimming to reduce energy bills.

Accessed from both the lift core and the vehicular entrance on Barwick Street, the secure basement facilities provide a 1:2,175 car parking ratio, five motorcycle spaces and storage for 20 bicycles along with lockers, showers, changing and drying facilities.

Brand new mechanical and electrical services have been installed throughout the building.

Building Futures

*“1 Newhall Street couldn’t be better placed for businesses looking to make a mark in Birmingham. Its location in the heart of the city’s business district and its proximity to retail and leisure amenities and fantastic travel connections make it an ideal place to work and enjoy everything Birmingham has to offer.”*

**David Harris,  
Robinson Low Francis**

# A NEW WORK LIFE BALANCE

**Make the most of your new location in the heart of the Colmore Business District and indulge in everything the city has to offer.**

1 Newhall Street is located just a short distance from two of Birmingham's retail landmarks, Grand Central and the Bullring and positioned halfway between Paradise and Snowhill Station.

A part of the Colmore Business District, 1 Newhall Street is located in the beating heart of Birmingham's office core, and surrounded by a wide selection of the city's best bars, restaurants and coffee shops, including Pret A Manger, The Ivy, Hotel du Vin, Riva Blu, Madeleine Bar and Tattu.

The building also benefits from its proximity to Birmingham's finest cultural attractions, including theatres, Birmingham Museum and Art Gallery, Town Hall, Symphony Hall, The Library of Birmingham and Utilita Arena Birmingham, giving staff the chance to experience the perfect work life balance.

While 1 Newhall Street is easily accessible by car, with the nearby A38M offering direct access to the national motorway network, it is also exceptionally well connected to Birmingham's public transport offering.

New Street Station - the busiest train station in the UK outside of London - is a five minute walk away, while the nearby Metro Link offers connections to Snow Hill Station, the International Convention Centre and beyond.
